Monthly amounts are based on the Office of Medicaid 2016 Desk Guide; weekly amounts were calculated by dividing monthly amounts by 4.333. Add the fetus to the family size of pregnant women in MassHealth & HSN.

For Seniors, eligibility is based on countable monthly income after deductions and there is an asset test, and

the \$20 per monthly standard disregard is added to the 100% FPL standard in this table; the 5% MAGI deduction does not apply.

The Senior deductible income standard is \$522 per mo. for an individual;\$650 per mo. for a couple.
