

Durable Medical Equipment (DME) Companies

Durable medical equipment (DME) is equipment that provides therapeutic benefits to a patient in need because of certain medical conditions or illnesses and can stand repeated use. It may include a variety of items such as walkers, wheelchairs, power scooters, hospital beds and oxygen tanks (available as noted). DME suppliers can help to determine if your insurance will cover your DME.

These listings are provided as a convenience for our patients and their families and are not comprehensive. **Mass General Hospital does not endorse any non-Mass General affiliated facilities.**

Equipment Reuse and Loan Programs

If you don't have insurance, or your insurance won't cover your DME, consider used or loaner equipment. Learn more: the Guide to Medical Equipment Reuse Options in Massachusetts at massmatch.org/documents/DME%20Resource%20Guide%20-%20July%202015.pdf
