

Private Pay Home Care Companies (Licensed, Certified, Independent)

Massachusetts Home Health Care Agencies

Licensed

Massachusetts is among a handful of states that do not license or regulate the private-pay, home-care industry.

In the absence of state licensing, the Home Care Alliance of Massachusetts accredits agencies on a voluntary basis. Those agencies must meet 15 standards that address caregiver background screening, training, competency, insurance coverage and protections against abuse.

Certified

Certified Home Health agencies are Medicare certified agencies that provide intermittent skilled health care services such as wound care or rehabilitation. Medicare/Medicaid certification is not a requirement for conducting a home health service
