

Home Care Assistance Program (HCAP) – Homemaker Services

HCAP is a Massachusetts Rehabilitation Commission (MRC) program that provides homemaking services to adults with disabilities, age 18 through 59. **Please note there is usually a wait list.**

Services

HCAP can assist with tasks such as:

- Meal preparation
- Grocery shopping
- Medication pickup
- Laundry
- Light housekeeping (dusting, vacuuming, mopping, kitchen clean-up, bathroom cleaning, bed changes, and trash removal ONLY)

HCAP does **not** help with tasks such as personal care (bathing, feeding, transferring), companionship, transportation, pet care, ironing, exterior home maintenance, etc.

You may choose between employing homemakers trained and supervised by home care agencies under contract with HCAP, or you may select and supervise a home care assistant paid through HCAP.

Eligibility

You may be eligible if you meet ALL of the following conditions. You:

- Have a disabling condition which keeps you from doing one or more homemaking tasks
- Require homemaking help to prevent hospitalization or institutionalization
- Meet the MRC - HCAP financial guidelines*
- Live alone† or with another adult relative or significant other with a disabling condition
- Are between the ages of 18 and 59
- Are not legally blind (MA Commission for the Blind also has a program)
- Do not already have services through a comparable benefit such as the Personal Care Attendant (PCA) program
