Special Investigations Unit

MISSING PROPERTY & THEFT INVESTIGATIONS

The SIU follows up on all reports of missing property and theft to attempt to locate missing or stolen items.

THREAT ASSESSMENTS

Once a threat has been established, the SIU member will conduct a background check on the perpetrator to determine the risk potential.

ANNOYING / HARASSING PHONE CALLS

Upon identifying the caller, a risk assessment of the perpetrator will be conducted.

DRUG RELATED INVESTIGATIONS

The SIU assists staff by conducting investigations for possible narcotics diversion, lost or stolen medications, and forged or altered prescription requests.

INFORMATIONAL SERVICES

The SIU has developed informational packets involving the following specialized areas: ID Theft, Domestic Violence, Workplace Violence, Home and Workplace Safety, and Child Internet Safety. Investigators are also available for workplace seminars involving these topics, as well as many others.

"95% of all theft occurs from unsecured areas"

Special Investigations Unit

DOMESTIC VIOLENCE ASSISTANCE

In coordination with EAP and HAVEN, the SIU assists both employees and patients of the MGH with obtaining abuse prevention orders (209A) and creating specialized safety plans.

INTELLIGENCE GATHERING

The SIU continuously monitors information on groups and activities, which might either directly or indirectly effect MGH.
